Program «Priority 2030. Far East»,**

scientific-educational, cultural-aesthetic inter-university project

**«The Warmth of the Cold / Chaleur
du froid»,**

international scientific and educational laboratory for the study

of modern identification processes, cultural transformation and development of creative industries in Yakutsk

The forum is dedicated to ethnic cinema as a factor in the positioning and manifestation of ethnocultural identity and geo-branding of regions.

Objectives of the Forum:

- consolidating the efforts of scientists working on issues of identity, documentary and feature films, creating conditions for their interaction with specialists from foreign countries;
- an association of filmmakers, specialists, and film researchers related to various

aspects of the forum's topics;

- familiarization of the world scientific community with the achievements of Russian science on the topic of the forum;
- further promotion of Yakut cinema, ethnic cinema and their promotion in the world;

The following topics are proposed for discussion:

Section 1: The Role of Ethnic Cinema in Broadcasting Ethno-Regional Identity

- Ethnic cinema as a marker of differentiation and identification;
- The role of ethnic cinema in the transmission of ethno-regional identity in the sphere of everyday life;
- Ethnic cinema as a way of positioning ethnocultural identity in the world;
- Regional identity in cinema: creative practices of preserving and updating cultural heritage;
- The role of ethnic cinema in the education of patriotism and ideas of multicultural solidarity;

Section 2: History of Ethnic Cinema in Regions and Individual Countries

- Ethnocultural heritage: creative practices and actualization in cinema;
- Regional and ethnic cinema in the context of modern times: problems, achievements, development resources;
- Contemporary Yakut cinema;
- Contemporary cinema of African countries;
- The image of the Arctic, the North, Yakutia, and regions of Siberia in feature films: research, development, analytics;
- The image of Siberia in feature films;
- The image of Africa in feature films;
- Cinema as an object of artistic reflection;
- The image of Yakutia, the North, and regions of Siberia in foreign cinema;
- The image of Africa, individual African countries in foreign cinema;

Section 3: Documentary Cinema and Its Role in Geobranding

- History of documentary cinema in Yakutia, regions of Siberia, African countries;
- The image of the Arctic, the North, Yakutia, and regions of Siberia in documentary films: research, development, analytics;
- The image of Siberia in documentary films;
- The image of Africa, individual African countries in documentary films: research, development, analytics;

Section 4: The Role of Ethnic Cinema in Promoting a Healthy Lifestyle

- Healthy lifestyle in cinematography;
- The topic of medical anthropology in ethnic cinema;
- Traditional medicine in cinema.

The forum's issues are not limited to the above topics. We welcome any relevant and interesting scientific proposals for its expansion. We invite scientists, journalists, bloggers, entrepreneurs, filmmakers, advertising business people, everyone involved in studying the problems of ethnic cinema and its role in the formation of a person and his identity to participate.

During the Forum, special events and meetings are planned, which will be announced separately.
